

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Mede  
DOCKET NO.: 21-01574.001-R-1  
PARCEL NO.: 02-35-306-002

The parties of record before the Property Tax Appeal Board are David Mede, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,196  
**IMPR.:** \$76,092  
**TOTAL:** \$85,288

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part 1-story part 2-story dwelling of wood siding exterior construction with 2,029 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement, central air conditioning, a fireplace, and a 506 square foot attached garage. The property has a 10,060 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located from 0.96 of a mile to 1.43 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with part 1-story part 2-story homes of wood siding exterior construction ranging in size from 2,136 to 2,430 square feet of living area. The dwellings were built from 1965 to 1993 with the oldest home

having an effective age of 1985. Each home has a basement and an attached garage ranging in size from 420 to 552 square feet of building area. Three homes each have central air conditioning and three homes each have a fireplace. The comparables have improvement assessments ranging from \$66,417 to \$76,859 or from \$27.33 to \$34.97 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,288. The subject property has an improvement assessment of \$76,092 or \$37.50 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located from 0.33 of a mile to 1.07 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with part 1-story part 2-story homes of wood siding exterior construction ranging in size from 1,928 to 2,297 square feet of living area. The dwellings were built from 1987 to 2007. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and an attached garage ranging in size from 440 to 640 square feet of building area. Comparable #1 also has a 572 square foot detached garage. The comparables have improvement assessments ranging from \$74,482 to \$91,062 or from \$37.62 to \$39.64 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 and the board of review's comparables #1, #4, and #5, due to substantial differences from the subject in dwelling size, age, basement finish, and/or garage count and/or which are located more than one mile from the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and the board of review's comparables #2 and #3, which are more similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$69,296 to \$80,625 or from \$31.38 to \$38.58 per square foot of living area. The subject's improvement assessment of \$76,092 or \$37.50 per square foot of living area falls within the

range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
