

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dale Caliendo  
DOCKET NO.: 21-01594.001-R-1  
PARCEL NO.: 07-02-202-009

The parties of record before the Property Tax Appeal Board are Dale Caliendo, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,303  
**IMPR.:** \$73,815  
**TOTAL:** \$91,118

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 2,446 square feet of living area. The dwelling was constructed in 1968. Features of the home include a basement, central air conditioning, two fireplaces, a 528 square foot attached garage, and a 832 square foot detached garage. The property has a 43,560 square foot site and is located in Wadsworth, Warren Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,164 to 2,938 square feet of living area. The dwellings were built from 1969 to 1978. Two homes each have a basement one home has a

crawl space foundation. Each home has central air conditioning and one or two fireplaces. Two homes each have a 528 or a 681 square foot garage. The comparables have improvement assessments ranging from \$61,088 to \$81,887 or from \$26.90 to \$28.23 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,118. The subject property has an improvement assessment of \$73,815 or \$30.18 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. Comparable #3 is the same property as the appellant's comparable #2. The comparables are improved with 1-story homes of brick or brick and wood siding exterior construction ranging in size from 1,827 to 2,768 square feet of living area. The dwellings were built from 1968 to 1978. Each home has a basement, three of which have finished area, central air conditioning, and a fireplace. Four homes each have a garage ranging in size from 546 to 625 square feet of building area. The comparables have improvement assessments ranging from \$59,989 to \$78,309 or from \$26.85 to \$35.39 per square foot of living area.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1, #2, and #3, including the common comparable, which are less similar to the subject in dwelling size than the other comparables in this record. Moreover, the common comparable lacks a garage compared to the subject's two garages.

The Board finds the best evidence of assessment equity to be the board of review's comparables #4 and #5, which are more similar to the subject in dwelling size, age, location, and features, although one of these comparables has finished basement area that is not a feature of the subject, suggesting a downward adjustment to this comparable would be needed to make it more equivalent to the subject. These comparables have improvement assessments of \$66,369 and \$78,309 or of \$26.85 and \$35.39 per square foot of living area. The subject's improvement

assessment of \$73,815 or \$30.18 per square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
