

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jill Ferraro
DOCKET NO.: 21-01622.001-R-1
PARCEL NO.: 04-09-407-054

The parties of record before the Property Tax Appeal Board are Jill Ferraro, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,477
IMPR.: \$78,528
TOTAL: \$88,005

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story part 2-story¹ dwelling of vinyl siding exterior construction with 2,270 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 1,144 square foot garage. The property has a 17,500 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that are located in the same assessment neighborhood code as the subject and within 1.24 miles from the subject property. The comparables have sites that range in size from 15,050 to 32,030 square feet of land area. The

¹ The Board finds the best description of the subject is found in the property record card provided by the board of review which depicts a part one-story and part two-story dwelling.

appellant reported the comparables are improved with 2-story dwellings of vinyl siding, wood siding or aluminum siding exterior construction ranging in size from 2,178 to 2,635 square feet of living area. The dwellings were built from 1992 to 2002. The comparables each have an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 440 to 704 square feet of building area. The comparables sold from November 2019 to November 2020 for prices ranging from \$180,000 to \$244,900 or from \$71.63 to \$106.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,005. The subject's assessment reflects a market value of \$264,677 or \$116.60 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales that are located in the same assessment neighborhood code as the subject and within 1.24 miles from the subject property. Comparables #3 and #4 are the same properties as the appellant's comparables #4 and #3, respectively. The comparables have sites that range in size from 8,600 to 16,950 square feet of land area. The board of review reported the comparables are improved with 2-story dwellings of vinyl, aluminum or wood siding exterior construction ranging in size from 2,102 to 2,370 square feet of living area. The dwellings were built from 1992 to 2000. Each comparable has an unfinished basements, central air conditioning, a fireplace and a garage ranging in size from 356 to 704 square feet of building area. The comparables sold from October 2020 to October 2021 for prices ranging from \$233,000 to \$320,000 or from \$103.33 to \$152.24 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, with two comparables being common to the parties. The Board has given less weight to the appellant's comparables #1 and #5 due to their dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, that includes the two common comparables, which are similar to the subject in location, dwelling size, design, age and some features. These comparables sold from April 2020 to October 2021 for prices ranging from \$180,000 to \$320,000 or from \$71.63 to \$152.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$264,677 or \$116.60 per square foot of living area, including land, which falls within the range of the best

comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
