

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vincent Adams
DOCKET NO.: 21-01703.001-R-1
PARCEL NO.: 07-07-111-024

The parties of record before the Property Tax Appeal Board are Vincent Adams, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,972
IMPR.: \$105,938
TOTAL: \$129,910

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,636 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 672 square foot garage. The property has a 13,671 square foot site and is located in Lake Villa, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that are located in the same assessment neighborhood code as the subject and within .26 of a mile from the subject property. The comparables have sites that range in size from 10,120 to 14,070 square feet of land area. The appellant reported the comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,499 to 3,722 square feet of living area. The dwellings were built in either 2003 or 2004. Each comparable has a basement, two with finished area, central air conditioning, a fireplace and a garage containing 693 square feet of building area. The

comparables sold from March 2019 to January 2021 for prices ranging from \$320,000 to \$387,500 or from \$87.10 to \$104.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,910. The subject's assessment reflects a market value of \$390,707 or \$107.46 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales that located in the same assessment neighborhood code as the subject and within .10 of a mile from the subject property. The comparables have sites that range in size from 9,760 to 10,310 square feet of land area. The board of review reported the comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,010 to 3,691 square feet of living area. The dwellings were built in either 2003 or 2004. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage with either 638 or 693 square feet of building area. The comparables sold from January 2020 to March 2021 for prices ranging from \$373,000 to \$410,000 or from \$104.65 to \$123.92 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #2 due to the more remote sale date occurring in 2019, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record. The Board has given reduced weight to the board of review comparable #1 due to its dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, dwelling size, design, age and features. These comparables sold from March 2020 to March 2021 for prices ranging from \$320,000 to \$410,000 or from \$87.10 to \$113.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$390,707 or \$107.46 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
