

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Masura  
DOCKET NO.: 21-01845.001-R-1  
PARCEL NO.: 10-26-201-016

The parties of record before the Property Tax Appeal Board are David Masura, the appellant, by Mary Kate Gorman, Attorney at Law in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,009  
**IMPR.:** \$68,076  
**TOTAL:** \$87,085

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,742 square feet of living area.<sup>1</sup> The dwelling was constructed in 1992 and is approximately 29 years old. Features of the home include a basement, central air conditioning, and a 432 square foot garage. The property has a 7,164 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.40 of a mile from the subject. The parcels range in size from 4,966 to 7,971 square feet of land area and are improved with 2-story homes of frame or frame and masonry exterior construction with 1,468 or 1,860

---

<sup>1</sup> The parties disagree regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card presented by the board of review, which contains a sketch with measurements of the subject home.

square feet of living area. The dwellings are 26 or 27 years old. Each home has central air conditioning and a 260 or a 268 square foot garage. One home has a fireplace. The comparables sold from September 2019 to October 2020 for prices ranging from \$229,900 to \$239,000 or from \$123.60 to \$162.81 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,085. The subject's assessment reflects a market value of \$261,910 or \$150.35 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.22 of a mile from the subject. The parcels range in size from 7,240 to 12,390 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction with 1,780 or 2,172 square feet of living area. The dwellings were built in 1988 or 1991. Each home has a basement, one of which has finished area, central air conditioning, and a 420 square foot garage. Four homes each have a fireplace. The comparables sold from May 2020 to November 2021 for prices ranging from \$270,000 to \$355,000 or from \$151.69 to \$173.03 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #2, #3, and #5, due to substantial differences from the subject in dwelling size and/or foundation type and/or a sale date less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #4, which are more similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$270,000 and \$308,000 or for \$151.69 and \$173.03 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$261,910 or \$150.35 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
