

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Slawomir Gonet
DOCKET NO.: 21-01892.001-R-1
PARCEL NO.: 17-31-302-060

The parties of record before the Property Tax Appeal Board are Slawomir Gonet, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$131,116
IMPR.: \$137,048
TOTAL: \$268,164

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,704 square feet of living area. The dwelling was constructed in 1949 and is approximately 72 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 437 square feet of building area. The property has an approximately 14,290 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .87 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.8-story, 2-story, or 2.5-story dwellings of brick exterior construction ranging in size from 3,354 to 4,056 square feet of living area. The homes

are 81 to 96 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 374 to 440 square feet of building area. The comparables have improvement assessments ranging from \$117,519 to \$133,363 or from \$28.97 to \$35.11 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$119,361 or \$32.22 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$268,164. The subject property has an improvement assessment of \$137,048 or \$37.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .61 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story or 2.5-story dwellings of wood siding, brick, stone, or brick and wood shingle exterior construction ranging in size from 3,566 to 4,095 square feet of living area. The homes were built from 1926 to 1965, with effective ages ranging from 1941 to 1965. Each dwelling has central air conditioning, one or two fireplaces, a basement with three having finished area, and a garage ranging in size from 380 to 529 square feet of building area. The comparables have improvement assessments ranging from \$139,428 to \$179,016 or from \$39.10 to \$46.02 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 through #3, as well as board of review comparables #1, #2, #3, and #5, due to differences in age and/or basement finish when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 and board of review comparable #4, which are similar to the subject in age/effective age, location dwelling size, and features. These comparables have improvement assessments of \$117,770 and \$139,428 or \$35.11 and \$39.10 per square foot of living area. The subject's improvement assessment of \$137,048 or \$37.00 per square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
