

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marshall Solem
DOCKET NO.: 21-01897.001-R-1
PARCEL NO.: 16-26-216-013

The parties of record before the Property Tax Appeal Board are Marshall Solem, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,272
IMPR.: \$210,060
TOTAL: \$285,332

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,501 square feet of living area. The dwelling was constructed in 2004 and is approximately 17 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a garage containing 462 square feet of building area. The property has an approximately 10,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .34 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 3,096 to 3,753 square feet of living area. The homes are 15 to

21 years old. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage ranging in size from 440 to 462 square feet of building area. The comparables have improvement assessments ranging from \$153,360 to \$193,666 or from \$46.17 to \$51.60 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$171,899 or \$49.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$319,479. The subject property has an improvement assessment of \$244,207 or \$69.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .34 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding, wood siding and brick, or wood siding and stone exterior construction ranging in size from 2,907 to 4,050 square feet of living area. The homes were built from 2002 to 2008, with comparable #3 having a reported effective age of 2009. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 418 to 814 square feet of building area. Comparables #1 and #4 each have an inground swimming pool. The comparables have improvement assessments ranging from \$200,583 to \$278,987 or from \$59.97 to \$72.91 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 and #2, which lack finished basement area, a feature of the subject. The Board also gives reduced weight to board of review comparables #1 through #4 due to differences in dwelling size or inground swimming pool amenity when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 along with board of review comparable #5, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$153,360 to \$205,938 or from \$49.53 to \$59.97 per square foot of living area. The subject's improvement assessment of \$244,207 or \$69.75 per square foot of living area falls above the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds

the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
