

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bradley Cohn
DOCKET NO.: 21-01906.001-R-1
PARCEL NO.: 16-36-213-004

The parties of record before the Property Tax Appeal Board are Bradley Cohn, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$61,159
IMPR.: \$59,022
TOTAL: \$120,181

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of brick and wood siding exterior construction with 1,250 square feet of living area. The dwelling was constructed in 1971 and is approximately 50 years old. Features of the home include a finished lower level and central air conditioning. The property has an approximately 8,950 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables locate within .65 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of tri-level dwellings of wood siding or brick exterior construction ranging in size from 1,244 to 1,500 square feet of living area. The homes are 44 to 61 years old. Each dwelling has a finished lower level and central air conditioning. Two comparables each have a fireplace and three

comparables each have a garage ranging in size from 286 to 440 square feet of building area. The comparables have improvement assessments ranging from \$50,976 to \$64,551 or from \$35.39 to \$43.03 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$49,812 or \$39.85 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,181. The subject property has an improvement assessment of \$59,022 or \$47.22 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .69 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of tri-level dwellings of brick or brick and wood siding exterior construction ranging in size from 1,079 to 1,275 square feet of living area. The homes were built from 1954 to 1981, with comparables #1 and #5 having effective ages of 1991 and 1974, respectively. Each dwelling has a finished lower level and a garage ranging in size from 288 to 552 square feet of building area. Four comparables have central air conditioning, two comparables each have a fireplace, and one comparable has a basement with finished area, The comparables have improvement assessments ranging from \$58,650 to \$70,066 or from \$52.63 to \$56.05 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 and #4 due to differences in dwelling size when compared to the subject. The Board also gives reduced weight to board of review comparables #1 and #5 due to differences in age or foundation relative to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3 along with board of review comparables #2 through #4, which are similar to the subject in age, location, dwelling size, and some features, noting that adjustments would be necessary for features such as a garage and central air conditioning to make the comparables more equivalent to the subject. These comparables have improvement assessments that range from \$50,976 to \$67,490 or from \$40.00 to \$53.76 per square foot of living area. The subject's improvement assessment of \$59,022 or \$47.22 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
