

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lawrence Kreiter
DOCKET NO.: 21-01933.001-R-1
PARCEL NO.: 16-34-208-035

The parties of record before the Property Tax Appeal Board are Lawrence Kreiter, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,359
IMPR.: \$108,885
TOTAL: \$152,244

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,502 square feet of living area. The dwelling was built in 1986 and is approximately 35 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 380 square foot garage. The property has an approximately 8,219 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.66 of a mile from the subject. The comparables are improved with 2-story or 2.5-story dwellings of brick, wood siding, or stucco exterior construction ranging in size from 2,292 to 2,728 square feet of living area. The homes range in age from 46 to 94 years old. Each

comparable has a basement with two having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 342 to 504 square feet of building area. The comparables have improvement assessments that range from \$90,906 to \$106,892 or from \$39.18 to \$39.66 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$98,516 or \$39.37 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,244. The subject property has an improvement assessment of \$108,885 or \$43.52 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.15 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,160 to 2,848 square feet of living area. The dwellings were built in either 1986 or 1993 and thus are either 28 or 35 years old. Comparable #5 has a reported effective age of 1997. Each comparable has a basement with four having finished area, central air conditioning, and a garage that ranges in size from 380 to 616 square feet of building area. Four comparables each have one fireplace. The comparables have improvement assessments that range from \$97,657 to \$133,035 or from \$45.21 to \$48.94 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparables #1, #2, #4 and #5 which differ from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 as well as board of review comparable #3 which are similar to the subject in location, design, dwelling size, and most features, except the appellant's comparables are older dwellings than the subject. Nevertheless, these three comparables have improvement assessments that range from \$94,424 to \$106,892 or from \$39.18 to \$45.78 per square foot of living area. The subject's improvement assessment of \$108,885 or \$43.52 per square foot of living area falls above the range established by the best comparables in the record in terms of overall improvement assessment but within the range on a square foot basis. However, based on this record and after considering adjustments to the comparables for differences including age and dwelling size when

compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
