

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glenn Cardelli
DOCKET NO.: 21-02168.001-R-1
PARCEL NO.: 13-12-403-004

The parties of record before the Property Tax Appeal Board are Glenn Cardelli, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,541
IMPR.: \$182,561
TOTAL: \$238,102

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,323 square feet of living area.¹ The dwelling was constructed in 2000. Features of the home include an unfinished walk-out style basement, central air conditioning, two fireplaces, finished attic area, and a garage containing 768 square feet of building area. The property has an approximately 49,250 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .45 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story

¹ The parties differ as to the subject's dwelling size. The Board finds the property record card submitted by the board of review to be the best evidence of dwelling size in the record.

or 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,728 to 7,264 square feet of living area. The homes were built from 1989 to 1997. Each dwelling has central air conditioning, two or five fireplaces, a basement with finished area with one being a walk-out style, and a garage ranging in size from 782 to 1,496 square feet of building area. Comparable #4 has a finished attic. The parcels range in size from 34,851 to 84,506 square feet of land area. The comparables sold from November 2019 to July 2021 for prices ranging from \$577,000 to \$1,150,000 or from \$103.24 to \$187.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$224,219, for an estimated market value of \$672,724 or \$126.38 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$238,102. The subject's assessment reflects a market value of \$716,096 or \$134.53 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.1 miles of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of brick, stucco, or wood siding and brick exterior construction ranging in size from 4,483 to 5,939 square feet of living area. The dwellings were built from 1990 to 2003. Each dwelling has central air conditioning, two to six fireplaces, a walk-out style basement with four having finished area, and a garage ranging in size from 833 to 1,190 square feet of building area. The parcels range in size from 40,350 to 57,660 square feet of land area. The comparables sold from January to October 2021 for prices ranging from \$825,000 to \$1,200,000 or from \$172.10 to \$221.28 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 through #5 due to their larger dwellings or more remote sale dates for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparables #1 and #2 due to differences in location or dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #1, #3, #4, and #5, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold from April to

October 2021 for prices ranging from \$885,000 to \$1,200,000 or from \$176.53 to \$221.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$716,096 or \$134.53 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
