

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Mehalic
DOCKET NO.: 21-02175.001-R-1
PARCEL NO.: 13-36-108-005

The parties of record before the Property Tax Appeal Board are Mark Mehalic, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,174
IMPR.: \$161,524
TOTAL: \$208,698

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 3,334 square feet of living area.¹ The dwelling was constructed in 1952. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a garage containing 571 square feet of building area. The property has an approximately 19,960 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .17 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story or 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,452

¹ The parties differ as to the subject's dwelling size. The Board finds the property record card submitted by the board of review to be the best evidence of the subject's dwelling size in the record.

to 4,377 square feet of living area. The homes were built from 1929 to 1995, with three comparables having effective ages of 1938, 1966, and 1968. Each dwelling has central air conditioning, one to three fireplaces, a basement with three having finished area, and a garage ranging in size from 462 to 685 square feet of building area. Comparable #2 has a finished attic. The parcels range in size from 11,647 to 30,717 square feet of land area. The comparables sold from March 2019 to April 2021 for prices ranging from \$481,500 to \$721,000 or from \$138.75 to \$196.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$176,618, for an estimated market value of \$529,907 or \$158.94 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,698. The subject's assessment reflects a market value of \$627,663 or \$188.26 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .24 of a mile of the subject and within the subject's assessment neighborhood. Comparable #3 is the same property as appellant comparable #2. The comparables consist of 1.5-story, 1.75-story, or 2-story dwellings of wood siding, stone, or brick and wood siding exterior construction ranging in size from 2,595 to 3,630 square feet of living area. The dwellings were built from 1951 to 1964, with three comparables having effective ages of 1966, 1967, and 1969. Each dwelling has central air conditioning, two or three fireplaces, a basement with two having finished area, and a garage ranging in size from 437 to 608 square feet of building area. The parcels range in size from 15,850 to 31,690 square feet of land area. The comparables sold from July 2019 to November 2021 for prices ranging from \$481,500 to \$735,000 or from \$174.65 to \$233.63 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1, #2, and #4, including the common comparable, due to their more remote sale dates for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparable #4 due to its larger dwelling in relation to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #3 and #5, along with board of review comparable sales #1 and #2, which are similar to the subject in age/effective age, location, dwelling size, and some features. These most similar comparables sold for prices ranging from \$485,620 to \$735,000 or from \$138.75 to \$233.63 per square foot of living area, including land. The subject's assessment reflects a market value of \$627,663 or \$188.26 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
