

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Wu
DOCKET NO.: 21-02178.001-R-1
PARCEL NO.: 13-23-200-019

The parties of record before the Property Tax Appeal Board are David Wu, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$93,281
IMPR.: \$142,285
TOTAL: \$235,566

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 4,103 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a garage containing 830 square feet of building area. The property has an approximately 219,110 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.79 miles of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of frame or brick and frame exterior construction ranging in size from 3,277 to 4,457 square feet of living area. The homes were built from 1985 to 1996. Each dwelling has central air conditioning, one to four fireplaces, a basement with four having finished area, and a garage

ranging in size from 792 to 915 square feet of building area. Comparable #1 has a finished attic and a barn. Comparable #5 has an additional 720 square foot detached garage. The parcels range in size from 81,022 to 215,622 square feet of land area. The comparables sold from June 2018 to September 2020 for prices ranging from \$500,000 to \$734,000 or from \$146.51 to \$172.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$229,280, for an estimated market value of \$687,909 or \$167.66 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$235,566. The subject's assessment reflects a market value of \$708,469 or \$172.67 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 2.27 miles of the subject, three of which are in the subject's assessment neighborhood. The comparables consist of 1.75-story or 2-story dwellings of wood siding, brick, or wood siding and brick exterior construction ranging in size from 3,932 to 4,224 square feet of living area. The dwellings were built from 1929 to 2000. Each dwelling has central air conditioning, two or four fireplaces, a basement with three having finished area, and a garage ranging in size from 449 to 948 square feet of building area. Comparables #2 and #5 each have an inground swimming pool. The parcels range in size from 95,450 to 272,470 square feet of land area. The comparables sold from February to December 2021 for prices ranging from \$789,000 to \$1,100,000 or from \$186.79 to \$260.54 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #3, and #4 due to differences from the subject in dwelling size, attic finish, barn feature, and/or more remote sale date for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparables #2, #4, and #5, which differ from the subject in age, basement finish, and/or inground swimming pool feature.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #5 along with board of review comparable sales #1 and #3, which are similar to the subject in age, dwelling size, and features. These most similar comparables sold for prices ranging from

\$620,000 to \$965,000 or from \$146.51 to \$230.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$708,469 or \$172.67 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
