

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Anichini
DOCKET NO.: 21-02291.001-R-1
PARCEL NO.: 10-21-202-001

The parties of record before the Property Tax Appeal Board are Stephen Anichini, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,456
IMPR.: \$267,765
TOTAL: \$332,221

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 7,061 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, five fireplaces, and a 1,010 square foot garage. The property has an approximately 37,580 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.56 of a mile from the subject. The parcels range in size from 8,710 to 62,290 square feet of land area and are improved with 2-story homes of brick or Dryvit exterior construction ranging in size from 4,900 to 5,871 square feet of living area. The dwellings were built from 1998 to 2009. Each home has a basement with finished area, central air conditioning, three or four fireplaces, and a garage

ranging in size from 766 to 1,213 square feet of building area. The comparables sold from April 2018 to August 2020 for prices ranging from \$639,000 to \$865,000 or from \$130.41 to \$147.33 per square foot of living area, including land.

As part of the appeal, the appellant also disclosed that the subject property is an owner-occupied residence. The Board takes judicial notice that this property was the subject matter of an appeal before the Board the prior year under Docket Number 20-09259.001-R-1. In that appeal the Board issued a decision lowering the assessment of the subject property to \$323,078 based on the agreement of the parties.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$345,412. The subject's assessment reflects a market value of \$1,038,833 or \$147.12 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

Also, as part of the "Board of Review Notes on Appeal," the board of review reported that 2019 was the first year of the general assessment cycle for the subject property and that for tax year 2021 an equalization factor of 1.0283 was applied to non-farm properties in Fremont Township.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.38 of a mile from the subject. The parcels range in size from 20,040 to 36,590 square feet of land area and are improved with 2-story homes of brick, Dryvit, brick and Dryvit, or brick and wood siding exterior construction. The homes range in size from 4,145 to 5,347 square feet of living area. The dwellings were built from 1996 to 2007. Each home has a basement, three of which have finished area and two of which are walkout basements. Each home also features central air conditioning, one to four fireplaces, and a garage ranging in size from 819 to 1,030 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold from April to July 2021 for prices ranging from \$760,000 to \$855,000 or from \$152.40 to \$186.97 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Board for the 2020 tax year under Docket No. 20-09259.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's assessment to \$323,078. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2019 to 2021 tax years are within the same general assessment period and an equalization factor of 1.0283 was applied in Fremont Township in 2021. Furthermore, the decision of the Board for the 2020 tax year has not been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$332,221, which is less than the 2020 assessment of the subject property of \$345,412. Based on the foregoing, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
