

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Mayworm
DOCKET NO.: 21-02292.001-R-1
PARCEL NO.: 10-22-304-022

The parties of record before the Property Tax Appeal Board are Daniel Mayworm, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,461
IMPR.: \$140,356
TOTAL: \$179,817

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding and brick exterior construction with 2,778 square feet of living area. The dwelling was constructed in 2007. Features of the home include a walkout basement with 1,750 square feet of finished area, central air conditioning, a fireplace, and a 660 square foot garage. The property has an approximately 9,640 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.11 of a mile from the subject. The parcels range in size from 7,980 to 10,020 square feet of land area and are improved with 1-story homes of vinyl siding or vinyl siding and brick exterior construction ranging in size from 2,615 to 3,103 square feet of living area. The dwellings were built in 2007 or 2008. Two homes each have a walkout basement with 1,900 or 2,300 square feet of finished

area and three homes each have a concrete slab foundation. Each home has central air conditioning and a garage ranging in size from 540 to 660 square feet of building area. Two homes each have a fireplace. The comparables sold from June 2018 to July 2021 for prices ranging from \$425,000 to \$565,000 or from \$162.58 to \$185.28 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,817. The subject's assessment reflects a market value of \$540,803 or \$194.67 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.57 of a mile from the subject. The parcels range in size from 9,770 to 10,910 square feet of land area and are improved with 1-story homes of vinyl siding, vinyl siding and brick, or vinyl siding and stone exterior construction. The homes range in size from 2,614 to 3,122 square feet of living area and were built from 2007 to 2011. Each home has a basement, four of which have from 442 to 2,290 square feet of finished area and two of which are walkout basements. Each home also features central air conditioning and a garage ranging in size from 460 to 642 square feet of building area. Four homes each have a fireplace. The comparables sold from February to December 2021 for prices ranging from \$525,000 to \$660,000 or from \$187.84 to \$211.40 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5, which have a concrete slab foundation compared to the subject's basement with finished area and/or sold less proximate in time to the assessment date than the other comparables in this record. The Board gives less weight to the board of review's comparables #2 and #5, due to substantial differences from the subject in dwelling size or basement finish.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1, #3, and #4, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$519,900 to \$545,000 or from \$185.28 to \$208.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$540,803 or \$194.67 per square foot of living area, including land,

which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for difference from the subject, such as basement features and finished area, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
