

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Theis  
DOCKET NO.: 21-02294.001-R-1  
PARCEL NO.: 10-35-101-005

The parties of record before the Property Tax Appeal Board are Kevin Theis, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$101,365  
**IMPR.:** \$172,874  
**TOTAL:** \$274,239

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and Dryvit exterior construction with 4,629 square feet of living area. The dwelling was constructed in 1986 and has an effective age of 1994. Features of the home include a basement with finished area, central air conditioning, a fireplace, and an 800 square foot garage. The property has an approximately 83,310 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.84 of a mile from the subject. The parcels range in size from 82,760 to 159,430 square feet of land area and are improved with 1-story or 2-story homes of brick, wood siding, or vinyl siding exterior construction ranging in size from 3,298 to 4,118 square feet of living area. The dwellings were built from 1977 to 1994. Each home has a basement, two of which have finished area and one of

which is a walkout basement. Each home also features central air conditioning, one or two fireplaces, and a garage ranging in size from 729 to 1,275 square feet of building area. The comparables sold in June or July 2020 for prices ranging from \$541,500 to \$650,000 or from \$131.50 to \$176.01 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$274,239. The subject's assessment reflects a market value of \$824,779 or \$178.18 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.72 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #2. The parcels range in size from 55,670 to 110,640 square feet of land area and are improved with 2-story homes of brick, brick and wood siding, or vinyl siding exterior construction ranging in size from 3,693 to 6,588 square feet of living area. The dwellings were built from 1994 to 2003. Each home has a basement with finished area, one of which is a walkout basement, central air conditioning, three or four fireplaces, and a garage ranging in size from 729 to 1,477 square feet of building area. The comparables sold from September 2020 to June 2021 for prices ranging from \$725,000 to \$1,050,000 or from \$159.38 to \$196.32 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2/board of review's comparable #1, the appellant's comparable #3, and the board of review's comparable #3, due to substantial differences from the subject in dwelling size and/or design.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparable #2, which are more similar to the subject in dwelling size, age, location, and some features, but have varying degrees of similarity to the subject in site size. These two most similar comparables sold for prices of \$541,500 and \$889,000 or for \$131.50 and \$162.05 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$824,779 or \$178.18 per square foot of living area, including land, which is bracketed by the best comparable sales in terms of total market value

and above the best comparables on a price per square foot basis, and appears to be justified after considering appropriate adjustments to the best comparables for differences when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
