

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmet Alegoz  
DOCKET NO.: 21-02702.001-R-1  
PARCEL NO.: 14-22-201-040

The parties of record before the Property Tax Appeal Board are Ahmet Alegoz, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,185  
**IMPR.:** \$147,639  
**TOTAL:** \$201,824

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 3,189 square feet of living area. The dwelling was constructed in 1992 and is approximately 29 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 1,008 square foot garage. The property has a 74,553 square foot site<sup>1</sup> and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the

subject. The parcels range in size from 43,347 to 98,700 square feet of land area<sup>2</sup> and are improved with 1-story or 2-story homes of brick exterior construction ranging in size from 3,193 to 4,294 square feet of living area. The dwellings range in age from 22 to 32 years old. Each home has a basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 704 to 783 square feet of building area. The comparables sold from April to December 2020 for prices ranging from \$475,000 to \$690,000 or from \$148.76 to \$160.69 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,824. The subject's assessment reflects a market value of \$606,989 or \$190.34 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.21 of a mile to 1.15 miles from the subject. Comparable #1 is the same property as the appellant's comparable #2. The parcels range in size from 16,610 to 98,700 square feet of land area and are improved with 1-story homes of brick or wood siding exterior construction ranging in size from 2,332 to 3,877 square feet of living area. The dwellings were built from 1971 to 2014. Each home has a basement, one of which is a walkout basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 500 to 864 square feet of building area. The comparables sold from April 2020 to November 2021 for prices ranging from \$508,000 to \$636,500 or from \$162.78 to \$257.29 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which are 2-story homes compared to the subject 1-story home. The Board gives less weight to the board of review's comparables #3 and #5, which are located more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #1 and the board of review's comparables #2 and #4, which are more

similar to the subject in design, location, and features, but have varying degrees of similarity to the subject in dwelling size, age, and lot size. These most similar comparables sold for prices ranging from \$508,000 to \$636,500 or from \$164.17 to \$207.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$606,989 or \$190.34 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
