

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sean Dorsey  
DOCKET NO.: 21-02734.001-R-1  
PARCEL NO.: 11-32-103-003

The parties of record before the Property Tax Appeal Board are Sean Dorsey, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$52,436  
**IMPR.:** \$120,632  
**TOTAL:** \$173,068

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,016 square feet of living area. The dwelling was constructed in 2001 and is approximately 20 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 604 square foot garage. The property has an approximately 10,193 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.29 of a mile from the subject. The parcels range in size from 9,718 to 14,392 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 2,940 to 3,423 square feet of living area. The dwellings range in age from 20 to 23 years old. Each home has a basement, central air conditioning, and a garage ranging in size from 604 to 656 square feet of

building area. Three homes each have a fireplace. The comparables sold from April 2020 to June 2021 for prices ranging from \$496,000 to \$570,000 or from \$166.52 to \$177.38 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$173,068 which would reflect a market value of \$519,256 or \$172.17 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,672. The subject's assessment reflects a market value of \$573,450 or \$190.14 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.21 of a mile from the subject.<sup>1</sup> The comparables have 10,280 or 10,830 square foot sites that are improved with 2-story or part 1-story part 2-story homes<sup>2</sup> of brick or brick and wood siding exterior construction with 2,722 or 2,896 square feet of living area. The dwellings were built in 2000 or 2001. Each home features a basement, central air conditioning, a fireplace, and a 505 or a 688 square foot garage. The comparables sold in September 2019 and January 2020 for prices of \$524,000 and \$545,000 or for \$192.51 and \$188.19 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4, which is a substantially larger home than the subject, and the board of review's comparable #1, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #3 and the board of review's comparable #2, which are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices

---

<sup>1</sup> The board of review presented a grid analysis of four comparables but provided sales data for only two of these comparables.

<sup>2</sup> The board of review reported comparable #2 is a 1-story home but also reported above ground living area that is greater than the reported ground floor living area, suggesting this home has second floor living area.

ranging from \$496,000 to \$570,000 or from \$168.71 to \$188.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$573,450 or \$190.14 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
