

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Tucker  
DOCKET NO.: 21-02745.001-R-1  
PARCEL NO.: 12-21-117-020

The parties of record before the Property Tax Appeal Board are Robert Tucker, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$76,508  
**IMPR.:** \$119,697  
**TOTAL:** \$196,205

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,028 square feet of living area. The dwelling was constructed in 1910, is approximately 111 years old, and has a reported effective age of 1938.<sup>1</sup> Features of the home include a basement, central air conditioning, two fireplaces, and a 572 square foot garage. The property has a 6,250 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.33 of a mile from the subject. The parcels range in size from 5,989 to 12,697 square feet of land area and are improved with 1.5-story or 2-story homes of brick or wood siding exterior construction ranging

in size from 1,662 to 2,497 square feet of living area. The dwellings range in age from 81 to 113 years old. Each home has a basement and central air conditioning. Three homes each have one or two fireplaces and three homes each have a garage ranging in size from 312 to 649 square feet of building area. The comparables sold from March 2020 to March 2021 for prices ranging from \$400,000 to \$675,000 or from \$208.61 to \$270.32 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,205. The subject's assessment reflects a market value of \$590,090 or \$290.97 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.34 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #1. The parcels range in size from 6,250 to 9,370 square feet of land area and are improved with 1.5-story or 2-story homes of wood siding or brick and wood siding exterior construction ranging in size from 1,908 to 2,500 square feet of living area. The dwellings were built from 1900 to 1948 and have effective ages ranging from 1925 to 1969. Each home has a basement, four of which have finished area, and central air conditioning. Four homes each have one or two fireplaces and four homes each have a garage ranging in size from 400 to 649 square feet of building area. The comparables sold from March 2020 to September 2021 for prices ranging from \$675,000 to \$785,000 or from \$270.32 to \$398.32 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #1/board of review's comparable #3, the appellant's comparables #3 and #4, and the board of review's comparables #1, #4, and #5, due to substantial differences from the subject in dwelling size and/or garage amenity.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparable #2, which are more similar to the subject in dwelling size, age/effective age, location, lot size, and some features. These two most similar comparables sold for prices of \$545,000 and \$785,000 or for \$245.72 and \$351.39 per square foot of living area,

including land. The subject's assessment reflects a market value of \$590,090 or \$290.97 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
