

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Edmunds  
DOCKET NO.: 21-02746.001-R-1  
PARCEL NO.: 11-08-310-032

The parties of record before the Property Tax Appeal Board are Mark Edmunds, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$72,254  
**IMPR.:** \$162,849  
**TOTAL:** \$235,103

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,268 square feet of living area.<sup>1</sup> The dwelling was constructed in 2001 and is approximately 20 years old. Features of the home include a basement, central air conditioning, three fireplaces, and a 754 square foot garage. The property has a 24,140 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.26 of a mile from the subject. The parcels range in size from 16,378 to 23,984 square feet of land area and are

<sup>1</sup> The parties differ slightly regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card presented by the board of review which contains a sketch with measurements of the subject home.

improved with 2-story homes of wood siding exterior construction ranging in size from 3,467 to 4,236 square feet of living area. The dwellings range in age from 19 to 27 years old. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 728 to 787 square feet of building area. The comparables sold from January 2020 to May 2021 for prices ranging from \$660,000 to \$795,000 or from \$172.82 to \$196.18 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$235,103. The subject's assessment reflects a market value of \$707,077 or \$216.36 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.50 of a mile from the subject. The parcels range in size from 15,760 to 30,120 square feet of land area and are improved with 2-story or part 1-story part 2-story homes<sup>2</sup> of brick or wood siding exterior construction ranging in size from 3,131 to 4,036 square feet of living area. The dwellings were built from 1986 to 2002. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 591 to 1,004 square feet of building area. The comparables sold from June 2020 to June 2021 for prices ranging from \$720,000 to \$885,000 or from \$212.28 to \$229.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparables #1 and #4, due to substantial differences from the subject in dwelling size or age.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables #2 and #3, which are more similar to the subject in dwelling size, age, location, and features, although these comparables have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more

equivalent to the subject. These most similar comparables sold for prices ranging from \$680,000 to \$785,000 or from \$196.13 to \$225.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$707,077 or \$216.36 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
