

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Viney & Kumud Kaushal
DOCKET NO.: 21-02753.001-R-1
PARCEL NO.: 11-18-206-006

The parties of record before the Property Tax Appeal Board are Viney & Kumud Kaushal, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,770
IMPR.: \$167,677
TOTAL: \$224,447

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,640 square feet of living area. The dwelling was constructed in 1999 and is approximately 22 years old. Features of the home include a basement, central air conditioning, a fireplace and a 736 square foot garage. The property has an approximately 10,646 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within 0.24 of a mile from the subject. The parcels range in size from 10,001 to 10,341 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 3,120 to 3,923 square feet of living area. The dwellings range in age from 22 to 24 years old. Each home has a basement, central air conditioning, and a garage ranging in size from 460 to 784 square feet

of building area. Three homes each have one or two fireplaces. The comparables sold from April 2019 to August 2020 for prices ranging from \$452,500 to \$620,000 or from \$140.92 to \$177.36 per square foot of living area, including land. Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$224,447. The subject's assessment reflects a market value of \$675,029 or \$185.45 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.18 of a mile from the subject. The parcels range in size from 10,000 to 19,800 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 3,368 to 3,594 square feet of living area. The dwellings were built from 1997 to 1999. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 460 to 506 square feet of building area. The comparables sold from June 2020 to September 2021 for prices ranging from \$627,000 to \$657,500 or from \$175.29 to \$186.16 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparables #1, #2, and #3, which sold less proximate in time to the assessment date than the other comparables in this record. The Board also gives less weight to the appellants' comparable #4 and the board of review's comparable #3, which are less similar to the subject in dwelling size or lot size than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #4, which are similar to the subject in dwelling size, age, location, lot size, and features. These most similar comparables sold for prices ranging from \$627,000 to \$657,500 or from \$175.29 to \$186.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$675,029 or \$185.45 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis, which is logical given the subject is a larger home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
