

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Marincsin  
DOCKET NO.: 21-03653.001-R-1  
PARCEL NO.: 13-11-400-289

The parties of record before the Property Tax Appeal Board are Halina Marincsin, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,745  
**IMPR.:** \$77,353  
**TOTAL:** \$94,098

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story condominium dwelling of wood siding exterior construction with 1,316 square feet of living area.<sup>1</sup> The dwelling was constructed in 1978. Features of the home include a basement with 593 square feet of finished area, central air conditioning, two fireplaces, and a 242 square foot garage. The property has a 1,316 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.36 of a mile from the subject. The comparables have 1,314 or 1,333 square foot sites that are improved with 1-story condominium dwellings of frame exterior construction. The homes have 1,314 or 1,333 square feet of living area and were built from 1977 to 1981. Each home has a basement with 313 to 788

<sup>1</sup> The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card, which contains a sketch with measurements of the subject home.

square feet of finished area, central air conditioning, one or two fireplaces, and a 242 square foot garage. The comparables sold from April 2020 to May 2021 for prices ranging from \$175,000 to \$261,000 or from \$133.18 to \$195.80 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,461. The subject's assessment reflects a market value of \$320,183 or \$243.30 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.49 of a mile from the subject. The parcels range in size from 1,140 to 1,360 square feet of land area and are improved with 1-story condominium dwellings of wood siding exterior construction ranging in size from 1,140 to 1,362 square feet of living area. The homes were built from 1976 to 1985. Three comparables each have a basement with 593 or 674 square feet of finished area and one comparable has a concrete slab foundation. Each home has central air conditioning, one or two fireplaces, and a 231 or a 242 square foot garage. The comparables sold from May to December 2021 for prices ranging from \$308,500 to \$360,000 or from \$231.64 to \$307.02 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant acknowledged the board of review's comparables #3 and #4 are similar to the subject, but argued the board of review's comparables #1 and #2 differ from the subject in dwelling size or foundation type. The appellant asserted the board of review's comparable #4 is an outlier.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1 and #2, due to substantial differences from the subject in dwelling size or foundation type.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$175,000 to \$360,000 or from \$133.18 to \$273.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$320,183 or \$243.30 per square foot of living

area, including land, falls above seven of these comparables and is below only one of these comparables. Based on this evidence, and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
