

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph A. Roe
DOCKET NO.: 21-03662.001-R-1
PARCEL NO.: 04-16-406-005

The parties of record before the Property Tax Appeal Board are Joseph A. Roe, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,759
IMPR.: \$46,664
TOTAL: \$52,423

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of aluminum siding exterior construction with 1,232 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement and a 672 square foot garage. The property has a 9,583 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.89 of a mile from the subject. The parcels range in size from 6,525 to 8,700 square feet of land area and are improved with 1-story homes of aluminum, wood, or vinyl siding exterior construction with 1,064 or 1,120 square feet of living area. The dwellings were built from 1977 to 1991. Each home has a basement and a garage ranging in size from 484 to 768 square feet of building area. Two homes each have central air conditioning. The comparables sold from March 2020 to June 2021 for

prices ranging from \$85,000 to \$139,000 or from \$75.89 to \$124.11 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,423. The subject's assessment reflects a market value of \$157,663 or \$127.97 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.89 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #1. The parcels range in size from 6,530 to 9,900 square feet of land area and are improved with 1-story homes of aluminum, wood, or vinyl siding or brick exterior construction ranging in size from 1,056 to 1,232 square feet of living area. The dwellings were built from 1969 to 1991. Each home has a basement, central air conditioning, and a garage ranging in size from 440 to 768 square feet of building area. One home has two fireplaces. The comparables sold from July 2020 to March 2021 for prices ranging from \$139,000 to \$196,900 or from \$124.11 to \$186.46 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued the board of review's comparables #2, #4, and #5 were not similar to the subject in age and/or location in a different neighborhood.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparable #3, due to substantial differences from the subject in dwelling size. The Board gives less weight to the appellant's comparable #2, which sold for considerably less than the other comparables in this record, suggesting this sale was an outlier.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review's comparable #1 and the board of review's comparables #2, #4, and #5, which are more similar to the subject in dwelling size, location, site size, and some features, although these comparables have central air conditioning unlike the subject and three of these comparables are older homes than the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices

ranging from \$139,000 to \$174,000 or from \$124.11 to \$155.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$157,663 or \$127.97 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
