

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rana Said
DOCKET NO.: 21-03663.001-R-1
PARCEL NO.: 04-20-215-017

The parties of record before the Property Tax Appeal Board are Rana Said, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,168
IMPR.: \$33,013
TOTAL: \$38,181

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,536 square feet of living area. The dwelling was constructed in 1979. Features of the home include a basement. The property has a 7,150 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.64 of a mile from the subject. The parcels range in size from 4,794 to 8,520 square feet of land area and are improved with 1-story homes of aluminum or wood siding exterior construction ranging in size from 1,536 to 1,728 square feet of living area. The dwellings were built from 1983 to 1988. Each home has a basement and one home has central air conditioning. The comparables sold in November 2020 or June 2021 for prices ranging from \$115,000 to \$123,000 or from \$71.18 to \$78.12 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in

the subject's assessment to \$38,181 which would reflect a market value of \$114,555 or \$74.58 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,516. The subject's assessment reflects a market value of \$130,875 or \$85.21 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.83 of a mile from the subject. The parcels range in size from 7,010 to 21,780 square feet of land area and are improved with 1-story homes of vinyl or wood siding exterior construction ranging in size from 1,073 to 1,472 square feet of living area. The dwellings were built from 1959 to 1996. Each home has a basement and a garage ranging in size from 252 to 576 square feet of building area. Four homes each have central air conditioning and three homes each have a fireplace. Comparable #4 has a sunroom. The comparables sold from July 2020 to July 2021 for prices ranging from \$150,000 to \$185,000 or from \$113.32 to \$139.79 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued the board of review's comparables are not similar to the subject in garage amenity, dwelling size, age, and/or location in a different neighborhood.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 and the board of review's comparables, due to substantial differences from the subject in dwelling size, age, central air conditioning amenity, garage amenity, and/or sunroom amenity.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2, which are more similar to the subject in dwelling size, age, site size, location, and features. These two most similar comparables sold for prices of \$115,000 and \$120,000 or for \$74.29 and \$78.12 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$130,875 or \$85.21 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
