

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deborah Kushner
DOCKET NO.: 21-04606.001-R-1
PARCEL NO.: 16-33-103-052

The parties of record before the Property Tax Appeal Board are Deborah Kushner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,750
IMPR.: \$78,262
TOTAL: \$114,012

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick and wood siding exterior construction with 1,587 square feet of living area. The dwelling was constructed in 1956. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 228 square foot garage. The property has an approximately 7,500 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within .39 of a mile from the subject. The comparables have sites ranging in size from 7,344 to 12,371 square feet of land area that are improved with 1-story dwellings ranging in size from 1,409 to 1,640 square feet of living area. The dwellings were built from 1951 to 1957. The comparables have unfinished basements, central air conditioning, a fireplace and a garage ranging in size from 312

to 969 square feet of building area. The comparables sold from May to December 2020 for prices ranging from \$285,000 to \$445,000 or from \$200.14 to \$274.01 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,012. The subject's assessment reflects a market value of \$342,893 or \$216.06 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within .88 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #2. The comparables have sites ranging in size from 7,250 to 12,080 square feet of land area that are improved with 1-story dwellings of wood siding, brick or brick and wood siding exterior construction ranging in size from 1,147 to 1,640 square feet of living area. The dwellings were built from 1953 to 1961. The comparables have basements, three of which have finished area, central air conditioning, and an attached and/or detached garage ranging in total size from 276 to 969 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from September 2020 to December 2021 for prices ranging from \$358,000 to \$499,000 or from \$222.56 to \$326.14 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #1 and #2, due to their considerably smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from May 2020 to October 2021 for prices ranging from \$285,000 to \$499,000 or from \$200.14 to \$326.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$342,893 or \$216.06 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
