

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jack Fahey
DOCKET NO.: 21-04619.001-R-1
PARCEL NO.: 16-05-202-144

The parties of record before the Property Tax Appeal Board are Jack Fahey, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$100,942
IMPR.: \$133,149
TOTAL: \$234,091

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,555 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 552 square foot garage. The property is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .26 of a mile to 1.13 miles from the subject. Two comparables have sites with 4,792 or 27,443 square feet of land area. The comparables are improved with 1-story dwellings ranging in size from 2,801 to 2,924 square feet of living area. The dwellings were built from 1981 to 1991. The comparables have basements, two of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 624 square feet of building area. The comparables sold

from April to August 2020 for prices ranging from \$603,718 to \$790,000 or from \$206.47 to \$282.04 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$234,091. The subject's assessment reflects a market value of \$704,033 or \$275.55 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .74 of a mile to 1.10 miles from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 20,740 to 27,440 square feet of land area that are improved with 1-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,344 to 2,801 square feet of living area. The dwellings were built from 1957 to 1985. The comparables have basements, each of which has finished area, central air conditioning, one or two fireplaces, and a detached and/or an attached garage ranging in total size from 480 to 1,304 square feet of building area. One comparable has a swimming pool. The comparables sold from August to November 2020 for prices ranging from \$660,000 to \$799,000 or from \$281.57 to \$328.54 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #1, due to its lack of finished basement area when compared to the subject. The Board also gives less weight to the board of review's comparable #3, due to its swimming pool feature when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from July to November 2020 for prices ranging from \$716,000 to \$799,000 or from \$259.38 to \$328.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$704,033 or \$275.55 per square foot of living area, including land, which falls below the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
