

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Heidi Elliman  
DOCKET NO.: 21-04635.001-C-1  
PARCEL NO.: 09-24-102-005

The parties of record before the Property Tax Appeal Board are Heidi Elliman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$40,000  
**IMPR.:** \$0  
**TOTAL:** \$40,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 33,540 square foot vacant site that is located in Wauconda, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located in McHenry or Round Lake Beach. The comparables range in size from 19,070 to 73,786 square feet of land area and sold from August 2020 to April 2021 for prices ranging from \$19,999 to \$119,000 or from \$.39 to \$1.61 per square feet of land area.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,450. The subject's assessment reflects a market value of \$172,782 or \$5.15 per square foot of land area, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Wauconda. The comparables range in size from 3,970 to 43,800 square feet of land area and sold from July 2020 to December 2021 for prices ranging from \$33,000 to \$140,000 or from \$.84 to \$35.26 per square feet of land area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their location in McHenry or Round Lake Beach, when compared to the subject. The Board also gives less weight to the board of review's comparable #2 due to its significantly smaller size, when compared to the subject. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject. The best comparables sold from July 2020 to October 2021 for prices ranging from \$33,000 to \$50,000 or from \$.84 to \$3.59 per square foot of land area. The subject's assessment reflects a market value of \$172,782 or \$5.15 per square foot of land area, which falls above the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Based on this evidence the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
