

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Egon Kahn
DOCKET NO.: 21-04689.001-R-1
PARCEL NO.: 16-15-309-042

The parties of record before the Property Tax Appeal Board are Egon Kahn, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,045
IMPR.: \$161,138
TOTAL: \$240,183

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 3,058 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning, two fireplaces and an attached 440 square foot garage. The property has a 4,430 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties that are located from .87 of a mile to 1.96 miles from the subject. One comparable has a site with 3,920 square feet of land area. The comparables are improved with 1-story dwellings ranging in size from 2,919 to 3,658 square feet of living area. The dwellings were built from 1995 to 1999. The comparables have unfinished basements, central air conditioning, a fireplace and a garage ranging in size from 484

to 827 square feet of building area. The comparables sold from January 2020 to June 2021 for prices ranging from \$690,000 to \$865,000 or from \$234.85 to \$256.90 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$240,183. The subject's assessment reflects a market value of \$722,355 or \$236.22 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .15 of a mile to 2.81 miles from the subject. The comparables have sites ranging in size from 4,820 to 20,200 square feet of land area that are improved with 1-story dwellings of dryvit, brick, wood siding or stucco exterior construction ranging in size from 2,913 to 3,514 square feet of living area. The dwellings were built from 1964 to 2006, with homes built in 1964 and 1988 having 1968 and 2004 effective ages. The comparables have basements, one of which has finished area, central air conditioning, and an attached garage ranging in size from 441 to 718 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from June 2020 to June 2021 for prices ranging from \$750,000 to \$1,070,000 or from \$253.04 to \$333.68 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables. The appellant failed to disclose the site sizes for comparables #2 and #3, which is required when comparing the comparables to the subject. The appellant's comparable #1 is located over a mile from the subject, and comparable #2 has a considerably larger dwelling when compared to the subject. The Board also gives less weight to the board of review's comparables #3, #4 and #5, due to their location over a mile from the subject. In addition, the board of review's comparable #3 has a significantly larger site size and has a considerably larger dwelling when compared to the subject. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject. The best comparables sold in October 2020 and June 2021 for prices of \$792,000 and \$750,000 or \$267.57 and \$253.04 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$722,355 or \$236.22 per square foot of living area,

including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
