

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Mattero  
DOCKET NO.: 21-04691.001-R-1  
PARCEL NO.: 16-15-316-014

The parties of record before the Property Tax Appeal Board are Thomas Mattero, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,053  
**IMPR.:** \$99,599  
**TOTAL:** \$147,652

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of brick exterior construction with 1,772 square feet of living area. The dwelling was constructed in 1960 but has a 1970 effective age. Features of the home include a finished lower level, central air conditioning, a fireplace and an attached 440 square foot garage. The property has an approximately 10,900 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .81 of a mile from the subject. The comparables have sites ranging in size from 12,902 to 23,331 square feet of land area that are improved with what are described as 1-story dwellings ranging in size from 1,534 to 1,973 square feet of living area. The dwellings were built in 1957 or 1963, with two homes built in 1957 having 1966 and 1976 effective ages. Each comparable has central air

conditioning, one comparable has a fireplace, and one comparable has a 440 square foot garage. The comparables sold from April 2020 to March 2021 for prices ranging from \$410,000 to \$478,500 or from \$230.47 to \$283.57 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,652. The subject's assessment reflects a market value of \$444,066 or \$250.60 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .39 of a mile to 1.36 miles from the subject. The board of review's comparable #5 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 11,650 to 21,950 square feet of land area that are improved with tri-level dwellings of brick or brick and wood siding exterior construction ranging in size from 1,534 to 2,024 square feet of living area. The dwellings were built from 1955 to 1957, with two homes built in 1956 and 1957 having 1977 and 1976 effective ages, respectively. Each comparable has a finished lower level and one comparable also has an unfinished basement. Four comparables have central air conditioning, two comparables each have one or two fireplaces, and four comparables have an attached garage ranging in size from 308 to 598 square feet of building area. The comparables sold from October 2020 to December 2021 for prices ranging from \$435,000 to \$601,000 or from \$283.57 to \$381.59 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #1 and #2, due to their significantly larger site and/or their location over a mile from the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, two of the parties' best comparables lack a garage when compared to the subject. Nevertheless, the best comparables sold from April 2020 to December 2021 for prices ranging from \$410,000 to \$601,000 or from \$230.47 to \$381.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$444,166 or \$250.66 per square foot of living area, including land, which falls within the range established by the best comparable sales in the

record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
