

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Levine
DOCKET NO.: 21-04701.001-R-1
PARCEL NO.: 16-16-103-023

The parties of record before the Property Tax Appeal Board are Jennifer Levine, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,828
IMPR.: \$103,507
TOTAL: \$128,335

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,568 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 440 square foot garage. The property is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .13 of a mile from the subject. The comparables are improved with 2-story dwellings ranging in size from 2,056 to 2,745 square feet of living area. The dwellings were built from 1977 to 1986. The comparables have basements, one of which has finished area, central air conditioning, a

fireplace, and a garage ranging in size from 440 to 462 square feet of building area.¹ The comparables sold from September 2019 to October 2020 for prices ranging from \$360,000 to \$470,000 or from \$157.08 to \$175.10 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,335. The subject's assessment reflects a market value of \$385,970 or \$150.30 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within .28 of a mile from the subject. The board of review's comparables #1, #3 and #5 are the same properties as the appellant's comparables #1, #2 and #3, respectively. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 1,768 to 2,745 square feet of living area. The dwellings were built from 1977 to 1986. The comparables have basements, one of which has finished area, central air conditioning, a fireplace, and an attached garage ranging in size from 440 to 462 square feet of building area. The comparables sold from September 2019 to July 2021 for prices ranging from \$360,000 to \$660,000 or from \$157.08 to \$269.28 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable properties for the Board's consideration, three of which were submitted by both parties. The Board gives less weight to the appellant's comparable #3, due to its sale date occurring greater than 15 months prior to the January 1, 2021 assessment date at issue and its considerably smaller dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #4 and #5, which includes one of the parties' common comparables, due to their sale date occurring greater than 15 months prior to the January 1, 2021 assessment date at issue and their considerably smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes two of the parties' common comparables, have varying degrees of similarity to the subject. The best comparables sold from October 2020 to July 2021 for prices ranging from \$385,000 to \$660,000 or from \$157.08 to \$269.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$385,970 or \$150.30 per

¹ The appellant's evidence revealed comparable #1, which is also the board of review's comparable #1, has finished basement area.

square foot of living area, including land, which falls within the range established by the best comparables in the record on a total market value basis but below the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
