

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sherri Stonitsch
DOCKET NO.: 22-03599.001-R-1
PARCEL NO.: 09-11-105-010

The parties of record before the Property Tax Appeal Board are Sherri Stonitsch, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,280
IMPR.: \$58,201
TOTAL: \$128,481

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling containing 1,147 square feet of living area. The dwelling was constructed in 1957 and features an unfinished basement, central air conditioning, a fireplace, and a garage with 612 square feet of building area. The property is located in Clarendon Hills, Downers Grove Township, DuPage County.

The appellant contends inequity in assessment as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis containing information on four equity comparables located within the same neighborhood code as the subject property and with varying degrees of similarity to the subject dwelling. Based on the foregoing evidence, the appellant requested a reduction in the subject property's improvement assessment.

The Board takes judicial notice that the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-07995.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$127,020 based on the agreement of the parties. The appellant disclosed in the appeal form that the subject property is an owner-occupied residence which was not contested by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$157,880. The subject has an improvement assessment of \$87,600 or \$76.37 per square foot of living area. The board of review also disclosed that 2019 was the first year of the general assessment cycle in DuPage County which runs through the 2022 tax year and that a township equalization factor of 1.0115 was applied in the 2022 tax year.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the same neighborhood code as assigned to the subject property and which have varying degrees of similarity to the subject dwelling. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-07995.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the total assessment of the subject property to \$127,020. The issue on appeal is whether the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, **shall remain in effect for the remainder of the general assessment period** as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. [Emphasis added].

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the 2022 tax year subject only to equalization as provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The evidence in the record indicates that the subject property is an owner-occupied dwelling and that the 2021 and 2022 tax years are within the same general assessment period in DuPage County. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been

reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0115 was applied in 2022.

For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor of 1.0115.¹

¹ \$127,020 x 1.0115 = \$128,481.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
