

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Nick Boudos  
DOCKET NO.: 02-21061.001-R-1  
PARCEL NO.: 16-07-311-013-0000

The parties of record before the Property Tax Appeal Board are Nick Boudos, the appellant, by attorney Edward Larkin of the law firm of Larkin & Larkin, of Park Ridge, and the Cook County Board of Review.

The subject property consists of 109-year-old, two-story, multi-family residence of frame construction containing 3,594 square feet of living area. The subject features three full baths and a garage. The appellant contends unequal treatment in the improvement assessment as the basis of the appeal. The subject is located in Oak Park Township.

The appellant submitted assessment data and descriptions on three properties located in the area of the subject property. The properties are two-story or three-story, multi-family residences of frame or masonry construction, ranging in age from 90 to 96 years. They range in size from 2,106 to 8,172 square feet and have improvement assessments that range from \$7.48 to \$8.37 per square foot of living area and feature two or three full baths. The subject improvement is assessed at \$8.69 per square foot of living area. On the basis of this analysis, the appellant requested an assessment for the subject improvement of \$8.04 per square foot living area.

The board of review submitted "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. In addition, assessment data and descriptions on three properties were presented. The properties range in age from 93 to 119 years. All are of frame construction. Each is located within the same area as the subject and feature two or three baths each. The properties ranged in size from 3,274 to 3,570 square feet and

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,561  
IMPR.: \$ 31,239  
TOTAL: \$ 39,800

Subject only to the State multiplier as applicable.

have improvement assessments ranging from \$9.23 to \$10.37 per square foot of living area.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that a reduction in the assessment of the subject property is not warranted based on the evidence contained in the record.

The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. The Property Tax Appeal Board finds that the appellant has not met its burden.

In this appeal, there were a total of six comparable properties submitted by the parties. The board's comparables are the most similar in construction, size, style, age and location to the subject property and had improvement assessments ranging from \$9.23 to \$10.37 per square foot of living area. The subject improvement is assessed at \$8.69 per square foot of living area and is below the range of the most similar comparables. The appellant's properties are not as similar in location, square footage of living area, construction or style.

Therefore, based on a review of the assessment comparables contained in the record, the Property Tax Appeal Board finds that the appellant has not supported the contention of unequal treatment in the assessment process and a reduction in the assessment of the subject property is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
