

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Cameel Halim
DOCKET NO.: 03-24796.001-C-1 and 03-24796.002-C-1
PARCEL NO.: SEE BELOW

The parties of record before the Property Tax Appeal Board are Cameel Halim, the appellant; and the Cook County Board of Review.

The subject property is improved with a seven-story, 69-unit apartment building that contains 45,600 square feet of building area. The property is located in Chicago, Lake View Township, Cook County.

The appellant in this appeal submitted documentation to demonstrate that the subject property was being inequitably assessed. In support of this claim, the appellant submitted an assessment analysis of three comparables. The comparables contain from 79 to 157 apartment units and range in size from 41,890 to 94,722 square feet of building area. They have improvement assessments ranging from \$265,938 to \$622,875 or from \$6.35 to \$6.58 per square foot of building area. The appellant also submitted the final decision issued by the Cook County Board of Review wherein the subject's total assessment of \$442,275 was disclosed. The appellant indicated the subject had an improvement assessment of \$364,016 or \$7.98 per square foot of building area. Based on this evidence the appellant requested a reduction in the subject property's improvement assessment.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

<u>DOCKET NO.</u>	<u>PARCEL NO.</u>	<u>LAND</u>	<u>IMPRV.</u>	<u>TOTAL</u>
03-24796.001-C-1	14-08-406-012-0000	\$39,222	\$ 0	\$ 39,222
03-24796.002-C-1	14-08-406-013-0000	\$39,037	\$294,120	\$333,157

Subject only to the State multiplier as applicable.

The appellant argued assessment inequity regarding the subject's improvement assessment. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. The Board has examined the evidence submitted by the appellant and finds a reduction in the subject's assessed valuation is justified.

The Board finds the only evidence pertaining to the uniformity of the subject's improvement assessment was submitted by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the evidence presented by the appellant as required by section 1910.40(a) of the rules of the Property Tax Appeal Board.

The appellant submitted an assessment analysis of three comparables. The comparables contain from 79 to 157 apartment units and range in size from 41,890 to 94,722 square feet of building area. They have improvement assessments ranging from \$265,938 to \$622,875 or from \$6.35 to \$6.58 per square foot of building area. The appellant indicated the subject had an improvement assessment of \$364,016 or \$7.98 per square foot of building area, which falls above the range established by the only assessment comparables contained in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessed valuation is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
