

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Melissa DiTeresa  
DOCKET NO.: 03-25086.001-R-1 and 03-25086.002-R-1  
PARCEL NO.: 14-18-417-011 and 14-18-417-010

The parties of record before the Property Tax Appeal Board (hereinafter PTAB) are Melissa DiTeresa, the appellant, by attorney Michael D. Gertner in Chicago and the Cook County Board of Review.

The subject property consists of two parcels totaling 4,688 square feet of land and containing a 111-year old single-family residence and a one-story coach house. The improvements contain 1,285 square feet of living area and 624 square feet of living area, respectively. The appellant, via counsel, argued that fair market value of the subject property is not accurately reflected in the assessed value as the basis of this appeal.

In support of this argument, the appellant submitted a copy of the settlement statement evidencing that the subject property sold on March 28, 2002 for \$389,000. Based upon this analysis, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$47,794. The subject's assessment reflects a market value of \$298,713 using the level of assessment of 16% for Class 2 property as contained

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

<u>DOCKET #</u>	<u>PIN</u>	<u>LAND</u>	<u>IMPRVMNT</u>	<u>TOTAL</u>
03-25086.001-R-1	14-18-417-011	\$4,000	\$21,764	\$25,764
03-25086.002-R-1	14-18-417-010	\$2,000	\$11,642	\$13,642

in the Cook County Real Property Assessment Classification Ordinance. The board also submitted copies of the property characteristic printouts for the subject as well as four suggested comparable located within the subject's neighborhood. The board's properties contain a one-story, frame or frame and masonry, single-family dwelling with one or one and one-half bath and a partial or full basement with two finished. The improvements range: in age from 110 to 119 years; in size from 726 to 918 square feet of living area; and in improvement assessments from \$24.60 to \$28.57 per square foot of living area. In addition, the board submitted copies of its file from the board of review's level appeal. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the evidence and reviewing the record, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

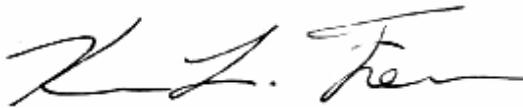

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2<sup>nd</sup> Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

In determining the fair market value of the subject property, the PTAB finds the best evidence to be the sale of the subject property on March 28, 2002 for \$389,000. Since the market value of the subject has been established, the 2003 median level of assessment for Cook County Class 2 property of 10.13% will apply. In applying this level of assessment to the subject, the total assessed value for both parcels is \$39,406, while the subject's current total assessed value is above this amount at \$47,794. Therefore, the PTAB finds that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board are subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
