

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: John B. Pitts  
DOCKET NO.: 03-26314.001-R-1  
PARCEL NO.: 14-18-408-006-0000

The parties of record before the Property Tax Appeal Board are John B. Pitts, the appellant; and the Cook County Board of Review.

The subject property is improved with a 115-year old, two-story dwelling of frame construction containing 2,159 square feet of living area with a full unfinished basement and a two-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as 2-story frame dwellings that range in age from 100 to 120 years old for consideration. The comparables range in size from 1,748 to 2,122 square feet of living area and are located within one to five blocks along the same street as the subject property. These comparables have improvement assessments ranging from \$16.78 to \$20.13 per square foot of living area. The subject's improvement assessment is \$51,081 or \$23.66 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story frame dwellings that range in age from 106 to 115 years old. The comparables are located within one block of the subject along the same street. The dwellings range in size from 1,728 to 2,006 square feet of living area and have similar features as the subject. These comparables have improvement assessments ranging

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	3,529
IMPR.:	\$	51,081
TOTAL:	\$	54,610

Subject only to the State multiplier as applicable.

from \$24.21 to \$29.82 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant numbered 1 and 2 and the board of review comparables numbered 3 and 4 were most similar to the subject in size, design, exterior construction, location and age. These comparables ranged in size from 1,864 to 2,086 square feet of living area and had improvement assessments that ranged from \$16.78 to \$25.07 per square foot of living area. The subject's improvement assessment of \$23.66 per square foot of living area is well within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
