

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Thomas Mullen  
DOCKET NO.: 04-22116.001-R-1  
PARCEL NO.: 02-03-205-007-0000

The parties of record before the Property Tax Appeal Board are Thomas Mullen, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 33-year old, two-story dwelling frame and masonry construction containing 2,733 square feet of living area with a partial unfinished basement, central air conditioning, a fireplace and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. In support of this argument the appellant submitted information on three comparable properties described as two-story frame or frame and masonry dwellings that are either 25 or 32 years old for consideration. The comparables range in size from 2,343 to 2,685 square feet of living area. Two comparables have basements, two comparables have central air conditioning and each comparable has a fireplace. A map submitted by the appellant indicates the comparables are located approximately 4.5 miles from the subject property. These properties have improvement assessments ranging from \$4.32 to \$10.04 per square foot of living area. The subject's improvement assessment is \$12.28 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story frame and masonry dwellings that range in age from 28 to 39 years old. The dwellings range in size from 2,576 to 2,894 square feet of living area. Each comparable has a basement, three comparables have central air conditioning, each comparable has a fireplace and each has a two-car garage. The board of review

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	7,792
IMPR.:	\$	27,514
TOTAL:	\$	35,306

Subject only to the State multiplier as applicable.

PTAB/smw/04-22116/11-08

indicated the comparables were located within 4 blocks of the subject. These properties have improvement assessments ranging from \$10.98 to \$11.23 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

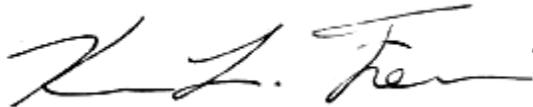

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables have improvement assessments that range from \$10.98 to \$11.23 per square foot of living area. The subject's improvement assessment of \$10.07 per square foot of living area is below this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
