

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Daniel Sauve
DOCKET NO.: 04-22123.001-R-1
PARCEL NO.: 02-14-305-013-0000

The parties of record before the Property Tax Appeal Board are Daniel Sauve, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 49-year old, one-story style dwelling of frame construction containing 1,008 square feet of living area with a full unfinished basement and a one-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one-story frame dwellings that are from 43 to 68 years old for consideration. The comparables contain from 1,006 to 1,209 square feet of living area. Three of the comparables have basements, one comparable has central air conditioning and one comparable has a fireplace. A map submitted by the appellant indicated the comparables are located approximately 1.25 to 1.5 miles from the subject. These properties have improvement assessments ranging from \$2.33 to \$8.30 per square foot of living area. The subject's improvement assessment is \$16.85 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of one-story frame dwellings that are either 51 or 54 years old. Each comparable has a basement, one comparable has central air conditioning, one comparable has a fireplace and one comparable has a 1.5-car detached garage. The dwellings have the same classification and neighborhood codes as the subject property. The board of review indicated the comparables are located within

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	3,457
IMPR.:	\$	16,985
TOTAL:	\$	20,442

Subject only to the State multiplier as applicable.

½ block of the subject. The dwellings have either 884 or 1,010 square feet of living area and have improvement assessments ranging from \$17.63 to \$22.71 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

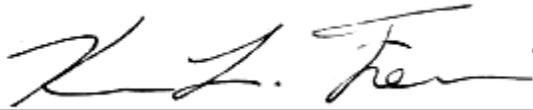

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$17.63 to \$22.71 per square foot of living area. The subject's improvement assessment of \$16.85 per square foot of living area is below this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
