

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Joyce Grimm  
DOCKET NO.: 04-22282.001-R-1  
PARCEL NO.: 18-01-321-017-0000

The parties of record before the Property Tax Appeal Board are Joyce Grimm, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 13-year old, multi-level single-family dwelling of frame and masonry construction containing 1,458 square feet of living area. Features include a partial basement, a fireplace and a two-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. In support of this argument the appellant submitted information on three comparable properties described as multi-level dwellings of masonry or frame and masonry construction that range in size from 1,420 to 1,507 square feet of living area. The dwellings range in age from 14 to 46 years old. Each comparable has a partial basement, two comparables have central air conditioning and two have fireplaces. The comparables have improvement assessments ranging from \$8.50 to \$9.50 per square foot of living area. The subject's improvement assessment is \$11.83 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of multi-level dwellings of frame and masonry construction that range in age from 10 to 43 years old. The comparables had the same neighborhood and classification codes as the subject property. The dwellings range in size from 1,103 to 1,400 square feet of living area and had similar features as the subject property. These properties had improvement assessments ranging from \$12.17 to \$12.70 per square foot of living area. Based on this

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	3,697
IMPR.:	\$	17,251
TOTAL:	\$	20,948

Subject only to the State multiplier as applicable.

evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

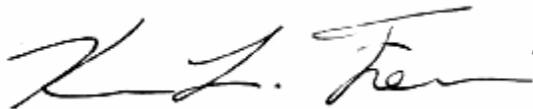

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds appellant's comparable number 1 and board of review comparables number 1 and 2 were most similar to the subject in size, features and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$9.32 to \$12.70 per square foot of living area. The subject's improvement assessment of \$11.83 per square foot of living area is within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
