

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Michael Teodori  
DOCKET NO.: 04-22567.001-R-1  
PARCEL NO.: 02-30-209-037-0000

The parties of record before the Property Tax Appeal Board are Michael Teodori, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 33-year old, 1.5-story dwelling of frame construction containing 1,293 square feet of living area with a full unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one-story frame dwellings that are 32 to 34 years old for consideration. The comparables range in size from 1,253 to 1,470 square feet of living area and have improvement assessments ranging from \$7.70 to \$9.44 per square foot of living area. According to a map submitted by the appellant, the comparables are apparently located a considerable distance from the subject, since the subject's location is not even depicted on the map, which shows the comparables' locations. The subject's improvement assessment is \$11.56 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties, two of which are located on the subject's street. The comparables consist of one-story frame or frame and masonry dwellings that are 33 years old. The dwellings contain 1,253 square feet of living area and have improvement assessments ranging from \$12.71 to \$12.85 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	10,115
IMPR.:	\$	14,950
TOTAL:	\$	25,065

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

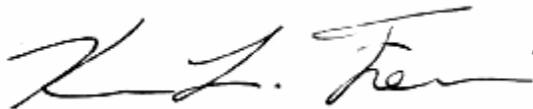

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds all the comparables submitted by both parties were one-story dwellings, dissimilar to the subject's 1.5-story design. The Board further finds the appellant's comparables appeared to be located a considerable distance from the subject, while the board of review's comparables were located near the subject. The Board also finds the board of review's comparables were similar to the subject in size, exterior construction, features, location and age. These most similar comparables had improvement assessments that ranged from \$12.71 to \$12.85 per square foot of living area. The subject's improvement assessment of \$11.56 per square foot of living area is below this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
