

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Je Won Lee  
DOCKET NO.: 04-23008.001-R-1  
PARCEL NO.: 14-29-130-038-0000

The parties of record before the Property Tax Appeal Board are Je Won Lee, the appellant, by attorney Howard W. Melton, of Chicago, and the Cook County Board of Review.

The subject property consists of 115-year-old, two-story, multi-family residence of masonry construction containing 1,832 square feet of living area. The subject features two full baths and a basement. The appellant contends unequal treatment in the improvement assessment as the basis of the appeal. The subject is located in Lake View Township.

The appellant submitted assessment data and descriptions on four properties located in the same neighborhood as the subject. All of the properties are on the same block and the same street as the subject property. The properties are two-story, multi-family residences of masonry or frame construction, ranging in age from 91 to 112 years. Three of the four comparables contain a basement. They range in size in square footage of living area from 1,680 to 2,360 feet. The appellant also submitted photographs of the subject and the comparables.

The properties have improvement assessments ranging from \$17.20 to \$20.30 per square foot of living area. The subject improvement is assessed at \$30.90 per square foot of living area. On the basis of this evidence, the appellant requested an assessment for the subject improvement of \$19.48 per square foot living area.

The board of review submitted "Board of Review Notes on Appeal" wherein the subject's final improvement assessment of \$56,576, was disclosed. In addition, assessment data and description on only the subject property, which reflected a purchase price of

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 11,520  
IMPR.: \$ 35,691  
TOTAL: \$ 47,211

Subject only to the State multiplier as applicable.

\$830,000. On the basis of this evidence, the board requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that a reduction in the assessment of the subject property is warranted based on the evidence contained in the record.

The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. The Board finds that the appellant has met its burden.

In this equity appeal, there were a total of four comparable properties submitted by the parties. The appellant's comparables, as the only comparables presented, are the most similar to the subject property. These properties contain amenities similar to the subject. The improvement assessments range from \$17.20 to \$20.30 per square foot of living area. The subject improvement is assessed at \$30.90 per square foot of living area and above the range of the comparables. Therefore, reduction in the subject's assessment is warranted. The board presented no equity evidence.

Therefore, based on a review of the evidence contained in the record, the Property Tax Appeal Board finds that the appellant has supported the contention of unequal treatment in the assessment process and a reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
