

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Rob Lamantia
DOCKET NO.: 04-24359.001-I-1 thru 04-24359.003-I-1
PARCEL NO.: 03-32-408-013-0000 thru 03-32-408-015-0000

The parties of record before the Property Tax Appeal Board are Rob Lamantia, the appellant, by attorney Terrence Kennedy, Jr. of the Law Offices of Terrence Kennedy, Jr. of Chicago and the Cook County Board of Review.

The subject property consists of a 17-year-old, one-story, masonry, 5,865 square foot class 5-93 industrial building situated on 14,520 square feet of land located in Wheeling Township Cook County.

The appellant, through counsel, submitted evidence before the PTAB claiming that the subject's market value is not accurately reflected in its assessment. In support of this argument the appellant submitted an appraisal dated January 1, 2004 containing the sales comparison approach to value and arriving at a market value of \$285,000.

In the sales approach the appraiser used five sales of class 5-93 industrial properties ranging in size from 5,000 to 10,000 square feet and built between 1970 and 1983, sales that occurred between August 2001 and July 2003 for prices ranging from \$203,000 to \$500,000 or from \$33.83 to \$51.36 per square foot and after appropriate adjustments arrived at a value of \$49.00 per square foot or a rounded value of \$285,000 via the sales comparison approach.

Based upon this evidence, the appellant requested a reduction in the subject's total assessment to reflect the reduced market value.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO.	PROPERTY NO.	LAND	IMPR.	TOTAL
04-24359.001-I-1	03-32-408-013	\$25,378	\$23,760	\$49,138
04-24359.002-I-1	03-32-408-014	\$ 8,910	\$17,821	\$26,731
04-24359.003-I-1	03-32-408-015	\$ 8,910	\$17,821	\$26,731

Subject only to the State multiplier as applicable.

PTAB/TMcG. 05/08

The board of review submitted "Board of Review-Notes on Appeal" that disclosed the subject's total assessment of \$116,126 which reflects a market value of \$322,572 as factored by the Cook County Ordinance level of 36%. The board submitted evidence in support of its assessed valuation of the subject property. As evidence the board offered five sales of industrial buildings ranging in size from 6,000 to 7,152 square feet that occurred between March 2003 and May 2004 for prices ranging from \$410,000 to \$460,000 or from \$62.92 to \$76.67 per square foot of land and building. No analysis and adjustment of the sales data was provided by the board. One of the sales is beyond the assessment date.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. *Property Tax Appeal Board Rule 1910.63(e)*. Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. *Property Tax Appeal Board Rule 1910.65(c)*.

The PTAB finds that the appellant has met this burden and has submitted the best evidence of market value. The appellant's appraisal indicates that the subject property was valued at \$285,000. Since the market value of the subject has been established, the Cook County Class 5b property assessment of 36% will apply. The subject's total assessment should not be in excess of \$102,600, while the subject's current total assessment is at \$116,126.

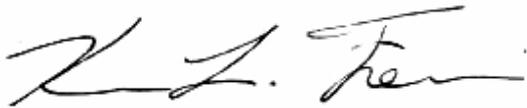

The PTAB gives less weight to the board's sales evidence because it lacks analysis and a supported conclusion of value and one comparable is beyond the assessment date.

As a result of this analysis, the PTAB finds that the appellant has adequately demonstrated that the subject property was overvalued and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
