

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Steven Gallo
DOCKET NO.: 04-24516.001-C-2 & 04-24516.002-C-2
PARCEL NO.: 25-19-100-001-0000 & 25-19-100-002-0000

The parties of record before the Property Tax Appeal Board are Steven Gallo, the appellant, by attorney Mendy L. Pozin of Northbrook; and the Cook County Board of Review.

The subject property is improved with a one-story commercial building containing approximately 14,000 square feet of building area. The improvements are located on a 15,000 square foot site.

The appellant contends the value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted a brief explaining that in September 2002 a Chicago Police Department automobile crashed into the subject building, striking a support beam, causing the collapse of approximately 5,000 square feet of building area. Subsequently, the City of Chicago ordered the demolition of a portion of the building. The area demolished and reconstructed remained vacant throughout 2004. The appellant's brief also stated that the demolition and reconstruction work caused vacancy in the portion of the building not damaged by the crash. In support of this argument the appellant submitted copies of reports, permits, a demolition affidavit and photographs depicting the damage to the subject property. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$188,979. Based on this evidence the appellant requested the subject's assessment be reduced to \$64,962.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

Docket No.	Parcel No.	Land	Impr.	Total
04-24516.001-C-2	25-19-100-001-0000	\$20,083	\$0	\$20,083
04-24516.002-C-2	25-19-100-002-0000	\$20,083	\$24,796	\$44,879

Subject only to the State multiplier as applicable.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

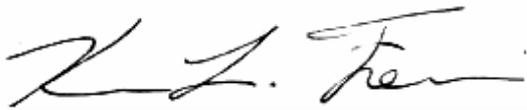

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted a brief explaining that in September 2002 a Chicago Police Department automobile crashed into the subject building, striking a support beam, causing the collapse of approximately 5,000 square feet of building area. Subsequently, the City of Chicago ordered the demolition of a portion of the building causing the area to remain vacant throughout 2004. The appellant's brief also stated that the demolition and reconstruction work caused vacancy in the portion of the building not damaged by the crash. The record also contains copies of reports, permits, a demolition affidavit and photographs depicting the damage to the subject property. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
