

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Alexander Nwaokocha
DOCKET NO.: 04-24865.001-R-1
PARCEL NO.: 29-14-306-007-0000

The parties of record before the Property Tax Appeal Board are Alexander Nwaokocha, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 35-year old, one-story dwelling of frame and masonry construction containing 1,265 square feet of living area with a full basement finished with a recreation room and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. In support of this argument the appellant submitted information on four comparable properties described as two, one and one-half story dwellings and two, one-story dwellings. The comparables range in size from 1,220 to 1,408 square feet of living area and in age from 34 to 78 years old. Three of the comparables have basements and two have central air conditioning. The comparables have improvement assessments ranging from \$3.88 to \$4.08 per square foot of living area. The subject's improvement assessment is \$7.04 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of one-story dwellings that range in age from 44 to 50 years old. The dwellings range in size from 1,080 to 1,164 square feet of living area. Each of the comparables has a full or partial basement and a 1 or 2-car detached garage. The comparables have improvement assessments ranging from \$7.37 to \$9.09 per square foot of living area. The board of review also disclosed the subject property sold in March 2002 for a price of \$165,000. Based on this

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	3,733
IMPR.:	\$	8,901
TOTAL:	\$	12,634

Subject only to the State multiplier as applicable.

evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

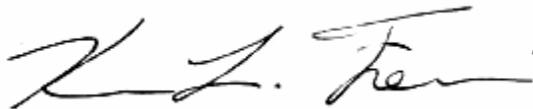

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables 3 and 4 submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in style, size and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$4.01 to \$9.09 per square foot of living area. The subject's improvement assessment of \$7.03 per square foot of living area is within this range. The record further disclosed the subject property was purchased in March 2002 for a price of \$165,000, which further indicates the subject's assessment is not excessive in relation to its market value. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
