

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Wheeler House LP
DOCKET NO.: 04-25013.001-C-1
PARCEL NO.: 20-20-310-049-0000

The parties of record before the Property Tax Appeal Board are Wheeler House LP, the appellant, by attorney Terrence Kennedy, Jr. of the Law Offices of Terrence Kennedy, Jr., Chicago; and the Cook County Board of Review.

The subject property is improved with a part one-story and part four-story building that contains a gross building area of 72,295 square feet. The building is used for subsidized housing for senior citizens containing 89 units, including 12 studio apartments and 77 one-bedroom apartments. The subject is classified as a class 9 property under the Cook County Real Property Assessment Classification Ordinance. The property is located in Chicago, Lake Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this argument the appellant submitted a narrative appraisal estimating the subject property had a market value of \$2,260,000 as of January 1, 2004. The appellant submitted a copy of the board of review's final decision disclosing the subject's total assessment of \$405,371, which reflects a market value of \$2,533,569 using the 16% level of assessment for Cook County Real Property Assessment Classification Ordinance class 9 property. Based on this evidence the appellant requested the subject's assessment be reduced to \$361,600 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	13,609
IMPR.:	\$	347,991
TOTAL:	\$	361,600

Subject only to the State multiplier as applicable.

finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted a narrative appraisal estimating the subject property had a market value of \$2,260,000 as of January 1, 2004. The subject's assessment of \$405,371 reflects a market value of \$2,533,569 using the 16% level of assessment for Cook County Real Property Assessment Classification Ordinance class 9 property, which is greater than the appraised value. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$2,260,000 as of January 1, 2004. Since market value has been determined the 16% level of assessment for class 9 property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
