

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Edward & Eleanor Marino
DOCKET NO.: 04-25402.001-R-1
PARCEL NO.: 07-07-404-049-0000

The parties of record before the Property Tax Appeal Board are Edward and Eleanor Marino, the appellants, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 12-year old, two-story townhouse of frame construction containing 1,654 square feet of living area with a partial unfinished basement, central air conditioning, a fireplace and a two-car attached garage.

The appellants' appeal is based on unequal treatment in the assessment process. In support of this argument the appellants submitted assessment information and photographs on seven comparable properties. The first four comparables were described as two-story frame dwellings that were either 12 or 13 years old. Each of the comparables has a partial basement, central air conditioning and a fireplace. The appellants provided limited descriptions on the three remaining comparables such as property index number, classification code, neighborhood code, assessment information, living area and building assessment per square foot. Each of the seven comparables contained 1,853 square feet of living area. These properties have improvement assessments ranging from \$10.36 to \$11.12 per square foot of living area. The subject's improvement assessment is \$14.77 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story frame dwellings that were 12-years old. The dwellings have the same classification and neighborhood codes as the subject property. Each of the dwellings contained 1,654 square feet of living area. Each of the comparables had an unfinished basement,

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

IMPR.:	\$	24,424
TOTAL:	\$	27,749

central air conditioning, a fireplace and a two-car attached garage. These properties have improvement assessments ranging from \$14.64 to \$14.87 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellants contend unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellants have not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in size, age, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$14.64 to \$14.87 per square foot of living area. The subject's improvement assessment of \$14.77 per square foot of living area is within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

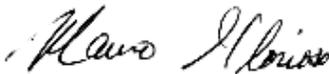

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
