

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Stan Kwasny
DOCKET NO.: 04-25412.001-R-1
PARCEL NO.: 07-35-406-011-0000

The parties of record before the Property Tax Appeal Board are Stan Kwasny, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, in Chicago, Illinois, and the Cook County Board of Review.

The subject property is improved with a 27-year old, two-story dwelling of frame construction containing 1,705 square feet of living area. Features include a full, unfinished basement, central air conditioning, a fireplace, and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two-story frame or frame and masonry dwellings that range in age from 31 to 32 years old for consideration. The comparables are all located approximately ¼ mile from the subject property. None of the comparables have basements. One comparable has central air conditioning. The comparables range in size from 1,824 to 1,954 square feet of living area and have improvement assessments ranging from \$9.36 to \$9.79 per square foot of living area. The subject's improvement assessment is \$13.05 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$29,203 was disclosed. The board of review presented descriptions and assessment information on one comparable property located .17 mile from the subject which was a 27-year-old, two-story frame dwelling with a full, finished basement, central air conditioning, a fireplace, and a two-car attached garage. The dwelling consisted of 1,409 square feet of living area and had an improvement assessment of \$15.83 per square foot of living area.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	6,955
IMPR.:	\$	22,248
TOTAL:	\$	29,203

Subject only to the State multiplier as applicable.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The parties submitted five comparables for the Board's consideration. The appellant's comparables differed from the subject significantly in foundation style. The comparables presented by both parties had improvement assessments that ranged from \$9.36 to \$15.83 per square foot of living area. The subject's improvement assessment of \$13.05 per square foot of living area is within this range. Moreover, in light of the subject's basement foundation, its assessment at the higher end of the range of comparables is justified. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

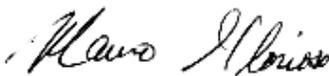

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
