

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: William & Linda Buniak
DOCKET NO.: 04-25442.001-R-1
PARCEL NO.: 07-28-313-041

The parties of record before the Property Tax Appeal Board (hereinafter PTAB) are William & Linda Buniak, the appellants, by Attorney Julie Realmuto with the law firm of McCarthy & Duffy in Chicago; and the Cook County Board of Review.

The subject property is improved with a 15-year old, two-story, frame and masonry dwelling containing 2,516 square feet of living area as well as a partial basement, two full baths, one fireplace, and a two-car attached garage.

The appellants' appeal is based on unequal treatment in the assessment process. The appellants submitted data and information on four comparable properties for consideration. They are improved with a two-story, frame or frame and masonry dwelling with two and one-half bathrooms. They range: in age from 17 to 28 years; in size from 2,327 to 2,678 square feet of living area; and in improvement assessments from \$11.23 to \$11.36 per square foot of living area. The subject's improvement assessment is \$13.39 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties for consideration. They are improved with a two-story, frame and masonry dwelling with two full and one-half baths. They range: in age from 17 to 20 years; in size from 2,387 to 2,517 square feet of living area; and in improvement assessments from \$13.43 to \$13.74 per square foot of living area. Amenities include a fireplace and a two-car attached garage. Based on this evidence, the board of review requested confirmation of the subject's assessment. After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	8,400
IMPR.:	\$	33,689
TOTAL:	\$	42,089

Subject only to the State multiplier as applicable.

parties and the subject matter of this appeal. The PTAB further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellants have not met this burden.

The PTAB finds that comparable #1 submitted by the appellants and the comparables #1 through #3 submitted by the board of review are most similar to the subject in style, size, age and amenities. Due to their similarities to the subject, these four comparables received the most weight in the PTAB's analysis. These comparables had improvement assessments that ranged from \$11.23 to \$13.74 per square foot of living area. The subject's improvement assessment of \$13.39 per square foot of living area is within this range.

After considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
