

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Pat Pulvirenti
DOCKET NO.: 04-25533.001-R-1
PARCEL NO.: 29-26-113-021

The parties of record before the Property Tax Appeal Board (hereinafter PTAB) are Pat Pulvirenti, the appellant, by Attorney Anthony Farace with the law firm of Amari & Locallo in Chicago; and the Cook County Board of Review.

The subject property is improved with a 34-year old, two-story, masonry dwelling containing 3,025 square feet of living area as well as a full basement, two full and one half-baths, one fireplace, and a two and one-half car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted data and information on four comparable properties for consideration located within a one-block radius of the subject. They are improved with a two-story, frame and masonry dwelling. They range: in baths from two to three bathrooms; in age from 29 to 32 years; in size from 2,643 to 3,201 square feet of living area; and in improvement assessments from \$5.39 to \$6.70 per square foot of living area. Amenities include one fireplace and a two-car garage. The subject's improvement assessment is \$8.76 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on two comparable properties for consideration. They are improved with a two-story, frame and masonry or masonry dwelling. They range: in baths from three to six; in age from 32 to 33 years; in size from 3,380 to 3,555 square feet of living area; and in improvement assessments from \$8.49 to \$8.63 per square foot of living area. Amenities include: a partial basement, two fireplaces and a two-car garage. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	5,926
IMPR.:	\$	19,239
TOTAL:	\$	25,165

Subject only to the State multiplier as applicable.

PTAB/KPP

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The PTAB further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has met this burden.

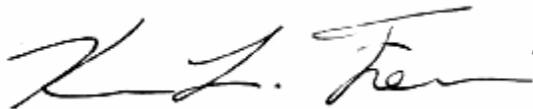

In totality, the parties submitted six equity comparables, all of which support a reduction in the subject's assessment. The PTAB finds that comparables submitted by the appellant and the comparable #2 submitted by the board of review are most similar to the subject in style, size, age and amenities. Due to their similarities to the subject, these five comparables received the most weight in the PTAB's analysis. These comparables had improvement assessments that ranged from \$5.39 to \$8.63 per square foot of living area. The subject's improvement assessment of \$8.76 per square foot of living area is above this range.

After considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot improvement assessment is not supported and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
