

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Ken Lieberman
DOCKET NO.: 04-26279.001-R-1
PARCEL NO.: 04-01-408-009

The parties of record before the Property Tax Appeal Board (hereinafter PTAB) are Ken Lieberman, the appellant, by Attorney Mitchell Klein of Schiller Klein & McElroy, PC in Chicago; and the Cook County Board of Review.

The subject property is improved with a 10-year old, two-story, stucco, dwelling containing 3,672 square feet of living area as well as: a partial basement; three full and one-half bathrooms; two fireplaces; and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties for consideration. They are improved with a two-story, dwelling of frame, masonry or frame and masonry exterior construction for consideration. These comparables range: in age from 4 to 7 years; in size from 2,770 to 3,696 square feet of living area; and in improvement assessments from \$28.75 to \$28.91 per square foot of living area. Amenities include a full basement, one or two fireplaces, and a multi-car garage. The subject's improvement assessment is \$30.05 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties for consideration. They are improved with a two-story, stucco or masonry dwelling. The comparables range: in age from 4 to 74 years; in size from 3,785 to 4,399 square feet of living area; and in improvement assessments from \$36.68 to \$42.05 per square foot of living area. Amenities include a basement, one or two fireplaces, and a multi-car garage. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	27,403
IMPR.:	\$	110,328
TOTAL:	\$	137,731

Subject only to the State multiplier as applicable.

PTAB/KPP

In written rebuttal, the appellant's attorney indicated that the board's properties #1 and #3 are classified by the assessor's office differently than is the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The PTAB further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

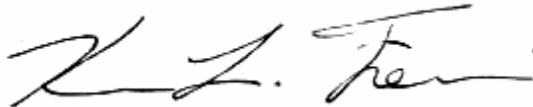

The PTAB finds the comparables #1, #3 and #4 submitted by the appellant as well as comparable #2 submitted by the board of review are most similar to the subject in style, size, age and amenities. Due to their similarities to the subject, these comparables received the most weight in the PTAB's analysis. These comparables had improvement assessments that ranged from \$28.75 to \$42.05 per square foot of living area. The subject's improvement assessment of \$30.05 per square foot of living area is within this range.

After considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
