

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Craig Hutson
DOCKET NO.: 04-27267.001-R-1
PARCEL NO.: 05-29-316-061

The parties of record before the Property Tax Appeal Board (hereinafter PTAB) are Craig Hutson, the appellant, by attorney Arnold G. Siegel in Chicago and the Cook County Board of Review.

The appellant in this appeal submitted documentation to demonstrate that the subject property was improperly assessed. This evidence was timely filed by the appellant pursuant to the Official Rules of the Property Tax Appeal Board.

The board of review did not submit its "Board of Review Notes on Appeal" nor evidence in support of its assessed valuation of the subject property.

In support of the equity argument, the appellant submitted assessment data and descriptions for seven properties suggested as comparable to the subject as well as black and white photograph of the subject property and a brief from the appellant's attorney. These comparables are located within the subject's neighborhood and are one or one and one-half story, masonry or frame and masonry, single family dwelling. The improvements range: in age from 38 to 52 years; in size from 3,004 to 3.596 square feet of living area; and in improvement assessments from \$15.39 to \$17.83 per square foot of living area.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant in this appeal submitted evidence in support of the contention that the subject property was not accurately assessed. The board of review did not submit any evidence in support of its assessment of the subject property as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board. The Board has examined the information submitted by the appellant and finds
