

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stefano Robertson
DOCKET NO.: 05-20587.001-R-1
PARCEL NO.: 15-36-403-055-0000

The parties of record before the Property Tax Appeal Board are Stefano Robertson, the appellant(s), by attorney Stephanie Park, of Stephanie Park, P.C. of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$7,250
IMPR.: \$37,798
TOTAL: \$45,048**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 8,632 square foot parcel of land improved with a 95-year old, two-story, frame, single-family dwelling containing 2,326 square feet of living area, one and one-half baths, air conditioning, and a full, unfinished basement. The appellant argued unequal treatment in the assessment process as the basis of the appeal.

In support of the equity argument, the appellant, via counsel, submitted information on a total of 12 properties suggested as comparable and located within the subject's neighborhood. The properties are described as two-story, stucco, frame, masonry or frame and masonry, single-family dwellings with one and one-half, two or two and one-half baths, air conditioning for seven properties, a fireplace for nine properties, and, for 11 properties, a partial or full basement with one finished. The properties range: in age from 64 to 102 years; in size from 2,208

to 2,591 square feet of living area; and in improvement assessments from \$14.10 to \$18.58 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$51,207 or \$22.02 per square foot of living area was disclosed. In support of the subject's assessment, the board of review presented information that the subject property sold in August 2003 for \$669,500. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The appellant submitted a total of 12 properties suggested as comparable to the subject. The PTAB finds the appellant's comparables #1, #7, #10 and #12 are the most similar to the subject in design, size, exterior construction, and age. These properties are frame or stucco, two-story, single-family dwellings located in the subject's neighborhood. The properties range: in age from 87 to 99 years; in size from 2,214 to 2,358 square feet of living area and in improvement assessments from \$14.10 to \$18.58 per square foot of living area. In comparison, the subject's improvement assessment of \$22.02 per square foot of living area is above the range of these comparables. The PTAB gives little weight to the board's evidence as it does not address the appellant's equity argument. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
